THE TRUE FAST

"The true fasting which should be recommended to all, is abstinence from every stimulating kind of food, and the proper use of wholesome, simple food, which God has provided in abundance. Men need to think less about what they shall eat and drink of temporal food, and much more in regard to the food from heaven, that will give tone and vitality to the whole religious experience." (Counsels on Diet, 188.3)

"Now and onward till the close of time the people of God should be more earnest, more wide-awake, not trusting in their own wisdom, but in the wisdom of their Leader. They should set aside days for fasting and prayer. Entire abstinence from food may not be required, but they should eat sparingly of the most simple food." (Counsels of Diet, 188.4)

Examples of fasting:

Food Choices

Entertainment

Time Management

To participate in the Fast, we do not need to fast for 24 hours in a row, we can fast for 1/2 a day or as many hours that we commit to. We can choose to just have fruits, juices or simple not seasoned foods. Another way to fast is to give up our personal entertainments and devote more time to prayer.

Thank you for participating tomorrow in our dedicated "Fast and Prayer" day for Ani O'Connor and family. May God bless you!
